

West Virginia State Trauma Advisory Council (WVSTAC) & West Virginia State Trauma Audit Review (WV STAR)

April 20 & 21, 2007

**Marshall University Medical School
Harless Auditorium
1600 Medical Center Drive
Huntington, WV**

**Hosted by
Tri-State Trauma Center,
A jointly designated Level II Trauma Center
at**

Program Overview and Objectives

This program is designated for physicians, nurses and allied healthcare professionals involved in the care of trauma patients.

On completion of this program the participants should be able to:

Discuss the multidisciplinary management of trauma cases selected by performance improvement audit filters.

Identify interventions, treatment modalities and alternative modalities for selected trauma cases to reduce the morbidity and mortality associated with traumatic injury.

Accreditation

Physicians – St. Mary's Medical Center is accredited by the West Virginia State Medical Association to provide continuing medical education for physicians.

St. Mary's Medical Center designates this educational activity for a maximum of ten (10) AMA PRA Category 1 credits. Physicians should claim credit commensurate with the extent of their participation in the activity.

It is the policy of St. Mary's Medical Center that the faculty and provider disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). St. Mary's has also established policies to identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made in the course handout material.

Nurses – Participants who stay for the entire course will be awarded seven contact hours in nursing by Cabell Huntington Hospital.

Cabell Huntington Hospital is approved as a provider of continuing education by the West Virginia Association which is accredited as an approver of continuing education by the American Nurses Credentialing Centers on Accreditation.

Trauma Registrars / Coder-Analysts – Granting prior approval from AHIMA does not constitute endorsement of the program content or its program sponsor.
